"THE MULLA NASRUDIN" RETURNS TO BETHEL TONIGHT (THURSDAY)

After five years of wanderings which have taken him to Scotland, Canada, the Midwest, and throughout the Northeast, the Mulla Nasrudin returns to Bethel tonight at the invitation of NTL Institute. Yes, NTL has found the Mulla and brought him to Bingham Auditorium on the Gould Academy campus tonight, Thursday, Aug. 17, at 8:30. The evening is open for the enjoyment of NTL participants and the Bethel community. Admission is free to all.

The Mulla Nasrudin, of course, is the hero of "Threeparts," the incomparable Mulla Nasrudin, a story theater comedy for the whole family. Threeparts' play received its premier performance in Bethel in 1971. Since then, it has become the Bryant Pond acting company's continued on Page Four

REP. BROWN SPEAKS, DAVIS RECEIVES AWARD AT CHAMBER MEETING

The Greater Bethel Chamber of Commerce met on Thursday, Aug. 10 at the Bethel Spa Restaurant to hear State Representative Karen Brown and to present the spring beautification award to Richard Davis. The meeting generated some keen discussion on topics affecting local business.

Representing the L. E. Davis Lumber Co., Richard Davis received a plaque for winning the area business beautification contest conducted by the Chamber in conjunction with the town's annual spring cleanup. Davis commented that although he was pleased to receive the award, he was further pleased that through this award the Chamber was also recognizing the area's mills within the business community.

Besides maintaining the program of summer information brochures for vacationers, it was also reported that all Bethel T-Shirts purchased by the Chamber, approximately 10 dozen, had been sold to retailers; and, an outdoor information center, which was approved at the May meeting will be constructed by Eddie Daye for use at The Gem Shop.

State Representative Karen Brown, the meeting's guest speaker, addressed a list of issues facing local businesses. These included the provision of status of implementation and her position on Maine's new "billboard law," the "returnable bottle law," maintenance of Route 26 and local operations of the State Liquor Commission. She indicated that improvement of Route 26 is scheduled to begin during the coming year.

In the discussion following Rep. Brown's talk, the forthcoming restrictions on outdoor advertising proved a controversial topic. Les Otten, manager of the Sunday River Skiway, one of the area businesses seriously affected by this new law, led the discussion. Points brought out included the fact that due to Bethel's location in the area's roadnet, permission to have only four off-premises signs will be inadequate for some businesses such as the ski areas. Also brought out by Brown is the future removal of signs along the approaches into Bethel. These signs will be partly replaced by standardized directional signs to be located in the vicinity of road intersections. Further, to qualify an on-premises sign, land on which a sign is erected must be the site of the principal business activity. It cannot, for instance, be a small plot of land purchased for the purpose of outdoor advertising

TUESDAY AFTERNOON SEARCH LOCATES 12-YEAR-OLD IN EVANS NOTCH AREA

The Evans Brook area of the Evans Notch District, White Mountain National Forest, was the scene of an intensive search on Tuesday afternoon for a 12-year-old boy who became separated from a party of six after reaching the Evans Notch Road from a hike up Roost Trail. Terry Atkinson was located by Bob Lowell, of the Bethel Fire Department, about three miles up Wild River from where he became separated from the group.

Four residents of the Pineland Training Center, Pownal, made the hike with Counselors Mat Parker and Sue Duhamel. While Parker and Duhamel were assisting another member of the party with a slight problem, Terry disappeared.

After an initial brief search, the Evans Notch Ranger Station in Bethel was notified and Stephen Parsons, District Ranger, immediately organized a search party consisting of the Bethel Fire Department, Bethel Police, Oxford County Sheriff's Department and Forest Service personnel in the area, giving a total of approximately 30 men for the search ending with Terry being located at approximately 5:30.

FOX HAS EXHIBITION AT BETHEL LIBRARY

Those who haven't seen the Larry Fox exhibit should be sure to visit the Bethel Library sometime this month. He has on display a variety of paintings and craft items.

away from the main business site.

Of the other topics addressed by Rep. Brown, discussion centered on how to improve conditions intended by provisions of various laws so that business is not lost to New Hampshire and so that in the case of the "bottle law," the law's coverage, i. e., paper cartons and liquor bottles, and cost impact on small business is improved. Brown indicated that efforts to gain relief from some of the impractical aspects of laws applied to communities and businesses bordering New Hampshire always faced an uphill battle in the legislature. There was not enough strength on the floor of the legislature and comparatively too little pressure on the executive relative to the more densely populated areas in Maine for small communities like Bethel to get relief from laws which border areas at a disadvantage vis-a-vis New Hampshire.

COMMENTS FROM THE TOWN MANAGER'S OFFICE

The Selectmen and Assessors met Tuesday afternoon, Aug. 8, and set the 1978 tax rate at \$16.50 per \$1,000 valuation. The 1978 rate is 50 cents per \$1,000 valuation higher than the 1977 rate of \$18 per \$1,000 valuation.

For each dollar a person pays in property tax, 65 cents goes for education, 4 cents for County Services, and 31 cents for Municipal Services. Of the 31 cents for municipal services, 15 cents is for public works, 5 cents for protection, 4 cents for general government, 2 cents for health, welfare, and sanitation, 2 cents for unclassified, 2 cents for overlay, and 1 cent for leisure services.

The value of real estate (land and buildings) increased by \$315,000 from \$27,543,300 in 1977 to \$27,858,300 in 1978. Personal property increased by \$464,100 from \$1,338,200 in 1977 to \$2,002,300 in 1978. The total value of real estate and personal property increased by \$779,100 from \$29,081,500 in 1977 to \$30,860,600 in 1978.

Exempt properties and buildings total \$5,648,500 and are broken down as follows: Veterans, \$312,000; Town of Bethel, \$190,800; United States of America, \$55,800; State of Maine, \$80,000; Educational Institutions, \$4,315,500; Churches, \$457,600; Bethel Water District, \$23,000; and Miscellaneous, \$232,800.

The State Tree Growth Law has a significant effect on the total valuation of the town. In 1978 there were 14,324 acres placed under the program. The 1978 Tree Growth Law states that the State for Oxford County are \$50.20 per acre for softwood, \$33.80 per acre for mixed wood, and \$17.80 per acre for hardwood. Forest land placed under tree growth in 1978 resulted in land value decreasing by \$238,900 from 1977.

Following completion of the Summer Playground Program last week, items of clothing left by youngsters at the playground have been placed at the Town Office. Parents can pick up lost items between 8 a. m. and 5 p. m., Monday-Friday. Items not picked up by Sept. 1 will be discarded.

Reserve Police Officer Arnel Brown participated in a training program last Friday in Auburn on the new juvenile Code which went into effect July 1, 1978. The program was put on by the County Attorney's Office.

The Board of Selectmen will meet Monday evening, Aug. 21, at 7 p. m. in the Bethel Savings Bank meeting room. A public hearing will be held at 7:30 p. m. on the proposed Special Amusement Permit Rules and Regulations. Copies of these proposed Rules and Regulations are available at the Town Office.

HISTORICAL SOCIETY MICROFILMS OXFORD ADVERTISER

As part of its program of preserving Oxford County newspapers, the Bethel Historical Society in cooperation with the Advertiser-Democrat and the Norway Public Library has completed the microfilming of the Oxford Advertiser printed in Norway between 1882 and 1933. In 1933 the newspaper merged with the Oxford Democrat to form the present Oxford County Advertiser-Democrat. This project was made possible by a matching grant from the Maine State Commission on the Arts and Humanities.

The Oxford Advertiser was an important Oxford County newspaper with news of the Bethel area that does not appear in the Oxford Democrat or the Bethel News/Citizen. It is now available to researchers and the general public in the Eva Bean Research Room of the Moses Mason House.

HEALTH COUNCIL ENLISTS AREA RESIDENTS IN PLANNING HEALTH CLINIC

The Northern Oxford Health Council is very actively trying to bring health care to this area. The Council has made great progress and would like to enlist area residents in this effort.

Citizens are requested to write to the Health Council stating their feelings on the need for a health care clinic, including issues of importance to the health of their families. Suggestions from the Council include: (1) how long it takes to get a doctor from where you live; (2) how often your family needs to visit a health care facility outside of town; (3) what you feel your most important health care need is. All replies will be very valuable to the committee in planning for a Bethel health care facility. Please address letters to Kathy Tremblay, President, N. O. H. & S. C., Box 106, Bethel, Maine 04217.

Anyone interested in the activities of the various Council committees or in offering ideas, questions, suggestions or assistance, please contact Barbara D. Weeks, Public Relations Committee, N. O. H. & S. C., Box 355, Bethel, Maine. Everyone's support and ideas are needed.

SURVIVAL in the White Mountain National Forest. Ever tried to survive for 36 hours in the forest? This past week 10 YCC enrollees participated in a voluntary survival trip. They could take only those materials that would fit into a small sandwich bag plus one blanket. No food was packed for the wilderness experience. The enrollees ate: wood sorrel, Indian cucumbers, berries, trout, Maine bananas, golden roof, plus water

from streams. The shelters were made of their own design using materials from their natural surroundings. The students that participated are: front row—David Burke, Mexico; David Nunley, South Windham; Robert Bermyant, Bethel; Martha Hatfield, Belfast. Back row—Mac Wright, Fort Fairfield; Brian Bedard, South Eerwick; Gary Milton, Fort Fairfield; John Feeney, Bethel; Mary Richards, Belfast. Absent when photo was taken was Ted Reed of Bethel, and work crew leader, Reggie Gilbert, who led the expedition.

Greenwood City

— Mrs. Colista Morgan, Corres. —

"There is beauty all around us. Anywhere that we may be from the mountains to the valleys."

From the desert to the sea. Every sight and sound can teach us.

It has something good to give. Making this a world of promise. And each day a joy to live."

The day had been beautiful. It was clear and bright during the morning, with just a bit of mist over the pond, early. It burned away and the sky turned to a lovely blue, not a washed out blue as we sometimes have. There was a little rustle of the leaves, soft and gentle.

By afternoon the temperature hit 80. I pattered in my garden, leisurely—lax, doing nothing very important but enjoying myself.

Toward evening it was cooler and after supper Ruth and I decided on an evening walk to Over-set Pond.

We left the car near the entrance to the road and set out.

There was an occasional clatter of rocks beneath our feet, the quiet shush of the breeze in the green needles to our right and left.

The radiant day was dying young and the morning blue of the heavens disappeared. Clouds mounding for a came, over the sky. Light filtered through erratic gaps to emphasize that darkness was premature and that it might rain. (How soon the sky changes.)

To the true lover of the outdoors a woodland walk is a happy experience. No matter how often repeated it doesn't lose its charm.

The shrubs were many and varied, each interesting in its special way.

I noticed a single thrush but it offered no pure, ethereal notes.

Now and then a simple, lumpy, fish fungus was in evidence on a log, rotted and nearly gone or on a standing stump.

Always there is a stone wall and I reflect on the back-breaking toil and energy that went into their building so long ago. Year by year these monuments to the work of men have been disappearing, especially where and with the changes in agricultural methods.

The Royal Cinderella, a flower with a regal name, Queen Ann's Lace, a lovely and delicate creation bordered this wall in places, still holding to the once open meadow. "Each patterned bloom a study in delight, A lace-work masterpiece left on display, In any mixed bouquet it owns a place; And worthy is the by-name 'Queen Ann's Lace.' Frank F. Fletcher

The fireweed, a flower with a mission, spreads rapidly over blighted areas and blankets the damage with magenta-pink and purple blossoms. I wonder if it can ever cover all the area beneath the high tension line which now crosses that wood section.

When almost at the pond, we heard distant thunder. On arrival the water was dark. A big frog looked out of it and up at us with large goggle eyes. The majestic cliff stood guard above. Trees on top stood silhouetted against subdued light. No stars, as I hoped to reach down and touch the water tonight. Day was slipping into night. We dared not stay long so started our return.

On the way we met a young neighbor-boy riding his motorcycle. He stopped to remove a stone, a fruitless task, on this road. Maybe he was displaying his strength. He had it. We gave him a greeting; he took off with his noise echoing through the trees. We continued on our way. It grew darker but the rumble of thunder was far beyond the cliff. We knew we wouldn't enjoy that near by but thought a little rain would feel refreshing. It didn't come until we were within a few feet of the car.

I hope we may have the will and wisdom to keep our woodlands clean, for within them there is always found, refreshment and healing peace, as you listen to the symphonies that silence brings.

Mr. and Mrs. Ernest Morris spent a few days at their camp this week.

— Olive Davis, Corres. —

We are sorry to hear of the passing of Alura Dudley. Our deep sympathy is extended to the family. Her services were held Tuesday at the I. W. Andrews funeral parlors.

Mrs. Mae Cartland, Kezar Falls, and Ethel Towne, her mother, visited Mrs. Olive Davis Tuesday.

Mrs. Towne is Mrs. Davis's sister and helped in bringing Mrs. Davis into the world as it was stormy and father was unable to get a doctor from Bethel. We lived eight miles away underneath Grover and Farwell mountains in Albany.

Ethel was a young lady at that time. In fact Mae, her oldest daughter is only four years younger than Olive.

Elton Record and the 45's played Wednesday afternoon at Togus V. A. Hospital for a benefit musical. They played Saturday night for a street dance at Oxford field day from 8 p. m. to 12.

Olive Davis had supper with Mr. son, Kathy Curtis, Nancy Damon, and daughters and I went to Shapleigh to visit Annie Mills then to Sanford Hospital to see Franze Mills who is a patient there.

Bernadine Putnam, Penn, is visiting her friend, Dorothy Curtis, for a few days.

Zilpha DiArenzo, Ray Holt, Ruth Hastings, and I attended the supper at the church in Albany, Thursday.

Ruth Hastings, South Paris, was a caller at Mr. and Mrs. Aarne Jarvenpaa's and at my house on Sunday afternoon.

Mr. and Mrs. Ernest Mundt, Alice Mundt, Neva Coolidge, Bethel, called here on Friday. Mr. and Mrs. Carl Brooks, West Paris, were also callers.

Rena Bacon, West Paris, Mr. and Mrs. John Cook, Massachusetts, were Sunday callers at Mr. and Mrs. Leonas Holt's.

Mr. and Mrs. Aarne Jarvenpaa were in Yarmouth on Thursday to visit Evelyn Tamminen.

At the Hayes Homestead there are no dull moments. On Monday they went to Popham Beach for the day. One day part of the group climbed Mt. Washington. On Wednesday Frank and Jimmy LaCroix came from Indianapolis and stayed until Friday. Other callers during the week were: Kathryn Lovejoy, Bethel; Chester and Ruth Hazelton, Bonita Vining, West Paris; Doris and Lloyd Waterhouse, West Paris; Verna Libby, Buster and Lenora Waterhouse, Portland. Timothy Hayes and Cindy Simpson returned to New York on Thursday. On Sunday there was a family gathering of 44 for the day.

Ronnie Betts, who has been on Hurricane Island, and his wife were here at his father's for a few days.

FRANKLIN GRANGE #124

HELD PICNIC AUGUST 7

Franklin Grange held a picnic with Mr. and Mrs. Chester Bean, Aug. 7, at their home in their garage. Tables were set up and a pot luck supper was enjoyed by 15 of the members. Stephen Seames entertained with his accordion after the supper while some sang along. It was an enjoyable evening.

The next meeting will be in the hall. The officers are furnishing the program on Aug. 21.

The orchestra, Stephen Seames, piano, Richard Felt, harmonica and Carl Brooks, bones, played for the Senior Citizen entertainment Friday, Aug. 4, at South Paris Grange Hall.

Five Grange members were with West Paris Grange, Aug. 3, for their Past Master's night and filled chairs as well as being on the program.

and Mrs. Joe Young at their camp on Christopher Lake Tuesday night and spent the evening with them. Thursday noon she took dinner with Mr. and Mrs. Richard Cole and family who are vacationing at Kozzy Nook on North Pond.

Guyson Davis has had his buildings painted by Albert Downing and Gary Waterhouse.

Robert Wormell is cutting Guyson Davis' hayfields this week.

Mr. and Mrs. Craig Morgan and baby, visited his parents this week and returned to Norridgewood where he teaches during the school year, Wednesday.

I have a yellow cat here. I wonder if anyone is missing one. Blackie wants him fed so I have to put out some of his food in the shed for him.

A severe thunder shower and wind blow hit the camp on North Pond Tuesday night, loosening the electric wire going into Kozzy Nook.

Mr. and Mrs. Cole, Mr. and Mrs. Ronald Surfield and two boys, Ron and Dick, from Piney Point, Md., Mrs. Margaret Bower, Le-moyne, Pa., have been at Kozzy Nook on North Pond for the past week, leaving Aug. 12 for their homes in Pennsylvania.

Mrs. Shirley Harvey and son, Kenneth Macleod, Belfast, spent the week end with Mr. and Mrs. Nicholas Clements and family.

WEST BETHEL CHILDREN'S CENTER
This week at the Center was making the most of August's "dog days" with swimming trips. The children and staff have visited our favorite swimming hole at Twitchell Pond. This week we're also taking a special trip to the ocean to visit Reid State Park.

Our Star of the Week is four year old Solai Buchanan of Greenwood.

Donna Richard is resigning as acting Head Teacher of the Children's Center as of this Friday.

Donna has been Head Teacher of the school for the past four months and has taught full time for both Day Care and Head Start Programs since the school opened in West Bethel. Donna has made the decision to go back to college at the University of Southern Maine to further her studies in the field of early childhood and pre-school education. After a vacation Donna will be returning to the Center to teach on a part-time basis throughout the school year through a college work study program. Bette Woodbury will take over the position of Acting Head Teacher for the next month of our Summer Day Care Program. Bette has been teaching at the Center for the past year.

We like visitors! If you are interested in visiting the school and seeing our program in operation we'd love to have you. Our Center hours are 6:30 to 4:30. Call us before you come at 836-3700.

More savings interest!
(that's what our loophole means)

The new \$10,000, 6-month* Savings Certificates are great if you have the money. They pay new higher interest equal to U.S. Treasury Bills.

But what if you don't have the \$10,000 minimum deposit the law requires? Are you left out?

No. Casco has found a loophole that lets you in on new higher interest rates for well under \$10,000.

You simply use some of your money and some of the bank's money. And you wind up earning

more interest than you can with any regular 6-month savings plan.

Get the whole story on "Loophole" certificates at any Casco office.

7th ANNUAL SCHOOL TRANSPORTATION SAFETY CONFERENCE HELD AT ORONO

"Sonny" Blake, Transportation
 Supervisor, and 14 drivers from
 M. S. A. D. #44 attended the
 seventh annual School Transporta-
 tion Safety Conference in Orono
 on Aug. 10 and 11. The conference
 differs each year, but is primar-
 ily aimed at safer transportation
 of pupils and training of more pro-
 fessional personnel.

Co-sponsored by the Maine
 School Transportation Association
 and the State Department of Edu-
 cational and Cultural Services, the
 program provided lectures on psy-
 chology, school bus laws and ex-
 aminations, and an excellent eight
 hour course in emergency first aid,
 as well as the state "Road-E-O"
 finals. It is understood that the
 first aid course was developed spe-
 cifically for the conference but
 is now available to any transpor-
 tation or safety organization upon
 request. The mechanics had sep-
 arate lectures in bus body main-
 tenance and hydraulic brakes, and
 the supervisors had a lecture cov-
 ering public relations, safety, and
 other pertinent topics.

All participating M. S. A. D.
 #44 employees now hold a valid
 CPR card indicating certification
 as "heart savers" by the American
 Heart Association.

Displays, demonstrations, and
 written materials were set up both
 days and in several locations to
 round out an already full sched-
 ule.

"THE MULLA NASRUDIN" AT BINGHAM HALL TONIGHT

continued from Page One
 most popular play, and the pro-
 duction has toured extensively.
 The show tonight will feature
 many new stories and songs not
 yet seen in town, along with old
 favorites that many Bethel friends
 will remember with glee.

The antics of the Mulla (or
 master) Nasrudin are filled with
 comic insights into human nature.
 In fact, Near Eastern mystics have
 used them for centuries for medi-
 tation. But the humor of the Na-
 srudin stories is paramount. The
 tales have become the favorite
 jokes of the Near East and have
 delighted travelers for ages.

MANAGED AND ATTENDED BY SONNY

Northwest Bethel

Clarice Gibson, Corres.

The last few mornings have been the kind of mornings with the temperature so cool it is uncomfortable, but, if we put on the heat it warms the house so that it is too warm in a matter of minutes. The days are getting so much shorter as I am writing this after 6 a. m. and need a light.

Saturday was a mixture of all weather. Ira and David and Alan Korhonen, sons of Mr. and Mrs. Philip Korhonen, had planned for weeks to take a section of the Appalachian Trail in New Hampshire and hadn't been home more than 1 1/2 hours when it began to rain and continued all week end. This was one of those times when I wanted good weather for the boys but the garden was waiting for lack of rain. They got out late Sunday night in Newry and Mr. Korhonen brought Ira home.

Saturday, also, Mr. and Mrs. Everett Saunders left for a trip along the Maine Coast. This was because the 8th was their wedding anniversary. They spent the night at Boothbay Harbor. Robert Saunders watched the house and Richard.

Pat Anderson's brother and family had to leave Aug. 5 to drive back to Texas. Fonda Shannon and the two children had never been to Maine so it was a whole new experience for them.

One day the two families went to Reid State Park and had a lobster cookout. They took the four kids on various picnics. Pat's oldest and her brother's oldest were born on the same day and the youngest of each were about six months apart so that gave each child someone near their own age to play with. Saturday, July 29, Mr. and Mrs. Steve Anderson and Mr. and Mrs. Gerry Shannon had supper at the Yokohama and stopped on the way home at The Town and Country for dancing.

Mrs. Shannon couldn't get over how well she slept in Maine as she has been suffering from insomnia. Good old Maine air.

Mr. and Mrs. Frank Murphy have their house all onto its foundation and are now working on plumbing, getting lights in, painting the inside and all the other jobs that have to be done before moving in.

Mrs. Murphy is having a week's vacation from work.

Robert Smith of Kansas City, Mo., stopped by to see the Everett Saunders and Frank Gibson family Thursday. What a lot of memories as it was 28 years ago this month that Frank and I were married and our only attendants, or people to the ceremony for that matter, were Robert Smith and Robert Smith Pever. At the time we were living in the Chase Hotel,

Kansas City, and Frank was in the Marines. He came out on a Monday and we were married that Saturday. I didn't have any idea he was coming. After the ceremony I called long distance to tell the folks. The folks said the least we could do was pay the phone bill—I had reversed the charges—but I told her that it was a lot cheaper than a wedding. Bob says the Chase Hotel is being torn down.

Ann Benson of Bethel came to visit Sylvia Benson as well as Joan Coolidge.

Mr. and Mrs. Robert Stearns both had last week off from their work, and spent the week in a camper at Head Beach camp ground. While there they took side trips to Popham Beach and through Fort Popham, to Reid State Park, Fort Edgecomb, Boothbay Harbor and Fort William Henry, and the museum near the Fort.

Mr. and Mrs. Pat Murphy were down the 8th as well as the Seames and they all had a lobster feed.

Dougie Smith, son of Mr. and Mrs. Homer Smith, is now living at Yarmouth, Mass., and is working at River Subaru.

Mr. and Mrs. John Laban and children went to Skowhegan Fair to see the Sheep Dog Show Sunday. Each dog entered as his turn comes, has three sheep that he had to maneuver through certain areas by command.

Lee Einzig took Sally Clay's daughter, Meg, back to Massachusetts. Lee and Sally have already started moving to Hiram. They

will be renting their house as they love this area and intend to be back living here again.

Pat Saunders, son Richard, and Bonnie Marshall went to the movies in Rumford the 8th.

Mr. and Mrs. Dick Angevine, Timmy and Kristy, ate at the Chicken Coop Saturday evening. They stopped to see Star Wars on the way home.

Ricky Angevine went to the races Saturday night with the Greenleafs and Sheri went roller skating in Lewiston with Mr. and Mrs. Mark Bennett in their van. The Bennetts' van was loaded with others as well.

Saturday Mike Lynch and Ann Holt visited Mr. and Mrs. Jciff Hutchins and girls.

Alberta Pickering from Plymouth, N. H., visited her niece, Mrs. Jeff Hutchins and family, for supper one night last week.

Frank's sister and husband, Mr. and Mrs. Eddie Pever, and mother, Thirza Gibson, Hampton Falls, N. H., dropped in Saturday afternoon. The Peveras spent the night with Mr. and Mrs. Howard Inman in Albany, and Grammie spent the night. I took her down to the Spa to see her granddaughter, Thirza Herick, and while we were there, Thirza's husband, Chet, another granddaughter, Mabel Herick and husband, Albert, arrived as well as Mabel's daughter, Bobby and Eddie picked up Grammie Sunday and we all had a corned of our first corn of the season as well as a tossed salad of head lettuce, cukes, peppers and tomatoes all from the garden.

Mr. and Mrs. Stan Moore and

children went to the Ekco employees picnic at Bear Pond Park this last week end. The company gave them their choice of steak or lobster and each one took theirs and cooked it as they chose.

Mrs. Sue Moore had the misfortune of having a canning jar explode while canning Monday and burned her chest with the hot water causing second and third degree burns.

Thelma Remington, her mother, and her daughter, were up for a visit Thursday evening.

The 8th Jody and Gerry Shimamura and Thelma Merrill went to Windham to the Humane Shelter for abused animals to see about adopting a saddle horse for Jody. All they had were ponies at this time so Jody put his name in for a horse.

The 11th Gerry and Bill Shimamura took a friend of Billy's from the Inn to the doctor in Berlin.

The 9th Gerry Shimamura and Thelma Merrill went to Lewiston

to take Mrs. Ruth Conner to the eye doctor. They went shopping after.

Sunday, Joe, Gerry, Jody Shimamura and Thelma Merrill took a trip through the mountains in the afternoon after church. They had supper at the Northland Dairy.

Driver's License
A driver's license is not just authority to drive.

It also is your pledge to try to keep yourself alive. It is the recognition that perhaps you have the sense to drive with caution, whether you

are quite relaxed or tense, it surely is no license to go speeding on your way with utter disregard for those who cross the street today.

A driver's license is a card. That may be an excuse. For being at the wheel, but not for traffic law abuse.

So guard your driver's license in your billfold or your purse. And do be careful, or you may be riding in a hearse.

CARD OF THANKS

I want to thank my family, friends and neighbors for the cards, flowers, and visits and all other nice things they have done for me while I was in the hospital and since returning home.
